

Peace Corps Peru is looking for a trainer for the **Community Economic Development** project (formerly Small Business Development) for the Pre-Service training of new Volunteers. The contract period is May 13 through August 21, 2013, which includes preparation time before the arrival of the new Volunteers. The training is based in Chaclacayo, outside of Lima. Transportation to and from the Training Center is provided from the main office in Surco.

Resumes and cover letters should be **received by March 14, 2013**, by e-mail to aluthi@pe.peacecorps.gov .

Basic Functions

Working with the Associate Peace Corps Director responsible for the Community Economic Development (CED) Project, and the Senior Trainer, the CED Technical Trainer plans and delivers sessions and activities dealing with business planning, basic book keeping, marketing, youth entrepreneurship, community banks, and financial education. The trainer also develops training materials and contacts, coordinates integration of technical training with language facilitators and other training staff and organizes field based training activities. The Technical Trainer guides and evaluates the Community Economic Development sector trainees in acquiring the knowledge and skills necessary for their successful service in the Peruvian context.

Requirements:

- Degree in a Business- related discipline (business, economics, marketing)
- Two years of experience in the field with small-scale businesses and producers
- Experience working in rural Peru or Latin America in economic development
- Experience with adult non formal education / training
- Spanish and English proficiency
- Peace Corps experience preferred
